Deputy Commissioner's Office
Chitalduroog District
Dated Chitalduroog, 29th August 1893.

The Secretary to the
Government of Mysore
Mysore Department.

Sir,
I have the honour to state that
the Chattram at Chaurasagar
of the Chitalduroog Talook was ordered
to be transferred to Holalheru as a
tentative measure by Government
Proceedings No. 504-5 dated 6th
August 1892.

2. The Old Talook Catchewry at
Holalheru is now used as a Mu-
-safir Khana. Travellers of other
castes than Brahmins constantly
use that building. There is thus no
proper accommodation for a
Chattram at Holalheru. Moreover
the Railway Station being fully 4 miles
from Holalheru, a Chattram is
more needed at, or near the Station.

than at Halalkhe. Several of the
servants of the Bharmasagar
Chattram having failed to report
themselves at Halalkhe, no Chattram
was ~~opened~~ at the last mentioned
place as directed by Government.
From the Amildar's reports and
from my own observation, it
became clear that a Chattram at
Arihalliatti (Railway Station)
was a desideratum, while one at
Halalkhe was not of much use.

3. A new Imcafiikhana
with 4 sets of commodious rooms,
segregated from one another,
has recently been built at Ari-
halliatti within a few long from
the Railway Station. One set of
rooms will for the present do
very well for the location of the
Chattram. This is not likely to
inconvenience the people for
whom the building was intended.

4. Herewith submitted is a
statement showing the strength
of the establishment of the abolished
Chattram and the balance of
Tasik left for expenditure on
feeding. The new sets are to
be

And of
have presented themselves for
duty. Even they cannot be induced
to stay on owing to the obvious
inadequacy of their pay. I have
accordingly revised the Estab-
lishment and reduced the
number of servants. In future,
as shewn in the Statement, there
will be only three servants costing
the Government Rs: 10-6-0 per mensem.
In addition to these, a Sweep-
er on Rs: was ordered to be enter-
tained. But a recent order of
Government having sanctioned the
employment of a Canteen on Rs: 4,
a separate Sweeper for the Canteen
is not necessary for the present. I
have therefore ordered her services
to be dispensed with from the 1st
Proximo. This revision leaves a
larger balance to be spent on
feeding than was the case formerly.

5. The trains arrive at Achalli
and depart therefrom at very in-
convenient hours. Cooked food
would be a blessing to travellers,
who may get down from, or
get into, such trains. The cir-
cumstances of this Canteen ser-

thus peculiar, the ^{idea} of new pattern
in it would not in my opinion be
a satisfactory arrangement.

6. Under these circumstances, I
solicit sanction to the opening of
the Thattam at Chikallihatti
from the 1st instant and to the
revision of establishment as proposed
in the enclosed statement. I may
add that as personally explained
to you, I have started the Thattam
in anticipation of sanction.

I have the honour to be
Sir

Your most obedient servant
